Call Nina about weather or not she said she would be painting or if the community would? Grahame is a painter and we should contact him to see if he would volunteer for the detailed work.

4th of July fire works happening. This is not a community funded event because the insurance is WAY to high. Chris Seethaler is accepting donations, Christopher.seethaler@outlook.com. Everything collected goes to fireworks and cleanup.

4th of July bike decorating @9am

4th of July Community bbq 11am to 1pm

Marc discussed an adjustable hoop for the court. Could it be easily movable hoops? What would that cost?

Talk about a new fence to keep kids out due to the recent fence jumping issue... many options...let's talk next meeting.

Ask Grahame to mention on the Facebook page and the community .org site that if you bring a friend in please make sure they are gone before you leave. If you are not there your friends can not stay. (Chris and Farrah)We have seen way to many people try to jump the fence this last month and it is very concerning...we have been letting them out so far but will start calling the sheriff to get assistance because they are violating the private property laws that our community has posted.
