Good Job Eric with finding a great insurance company who will give us what we require as well as in the budget that works great for us.

A massive THANK YOU to John Schmoker and his family for spending a whole day cleaning the park and filling multiple waste bags.

Marc power washed half the basketball court and will finish the rest next week, then we have to repaint it afterward, everyone will look into this to see what it might cost.

Marc got a quote from his father in law for \$1000 to flatten the sand and remove the debris, then to bring in new sand. (discussed was the drainage field weight limit and what equipment can come down here and not damage the field)

Eric will ask the Fileteo family about the eagle scout bench project. We do not want to interfere with this. Please get a date.
