Sports court has been slurried and next step is to paint. Green with white lines for basketball and pickle ball.

Garage sale was a success for Saturday but not so much on Sunday due to rain. Thanks to all who participated by either having a garage sale or by buying items from your neighbors.

Broken table from the park has been picked up and dumped. Thank you Alika and Mason Dias. Board had voted to purchase 2 new tables of the same kind as they are easier to move around, we will ask that they are not left on the dock.

Pick a date for camping in the park event, Dates proposed are July 17, 24, 31 and August 14. We will try to do the community bbq that day to kick off the event and then the kids can set up tents. We will do a bonfire with smores for the campers.

Board will vote on a date and get the news to the community.

Graeme will get quotes for 2 more private property signs for the dock.

Key for the gate needs to be changed and new keys issued. Farrah will get quote and send via email to the board to approve.

The gate door to the park has been propped open quiet a few times and this is so disturbing because it is on both sides of the gate to keep it closed, anyone who notices the gate open please remove the obstacle and close the gate. If there is any issue with doing this please refer them to the park rules as well as the signs on the gate itself. It is going to take everyone to help with this.

The A Frame boards have had some issues with stolen letters as well as someone rearranging the letters. This board is used to keep the community informed of events and it is really sad that someone feels the need to disrupt the message. New letters are being ordered.

Last day of school ice cream social will take place on Friday June 18<sup>th</sup> at 330 outside the park gate. Prewrapped ice cream and fruit bars will be available to all who stop by till the ice cream is gone.

We need to find a solution for the geese and ducks on the beach. Please start researching things and hopefully together we can find an affordable solution.
