NEIGHBORHOOD NEWS

PARK LOCK TO CHANGE - KEY EXCHANGE

The CLBC Park gate lock will be rekeyed on Friday, October 15. Residents' block and lot numbers will be punched on the new keys. You will need to turn in your old key(s) and verify your address to get a new park key.

Please bring your old key(s) to the park on **Sunday, October 17 OR October 24 from 12 noon-2 p.m.** If you are unable to exchange either of these times, please contact Farrah Seethaler at 206-949-4980. Note the boat gate lock will not be changed at this time but likely will be redone by the end of the year.

IS YOUR GENERATOR READY FOR WINTER?

With winter upon us, power outages are not uncommon in our area. It is recommended you have a portable generator with sufficient power to run necessary appliances and lights for your home. If you already own one, make sure it is ready with fresh gasoline, oil, and a new battery (if applicable). You don't want to find out your generator won't start or won't run well after your power is already out. Although long-term power outages are rare, you should also be prepared with emergency food supplies and water for all family members (including pets) for at least two weeks.

SANTA VISIT

Mark your calendars for Santa's yearly visit to the park! Come enjoy holiday treats and hang with Santa in the park on December 22 from 2-4 p.m.

SOCIAL CALENDAR

We created a new Google calendar for neighborhood social events. You can view it on our Facebook group page or on the website at: cottagelakebeachclub.org/events/

HALLOWEEN!

Our neighborhood is a very popular destination for hundreds of trick-or-treaters. While the COVID pandemic is lessening and public gatherings are not restricted, we do ask that you maintain social distancing and wear masks while distributing candy. Also remember there will be many young ones on our dark neighborhood roads so please drive carefully.
