# NEIGHBORHOOD NEWS

Fall 2024

## Welcome, Autumn!

The warm summer days have faded as we transition into the snug fall and winter seasons. While community events will wind down, we are excited to conclude the year with a special visit from Santa in the park! As usual, we'll offer cider, hot cocoa, and festive treats—we can't wait to see you there!

Helpful reminder: Now is a great time to check your generator as fall storms are on the horizon.

### Halloween

We are fortunate to have one of the most popular neighborhoods in Woodinville for trick-or-treating. It's not uncommon to see 200-300 kids stopping by each house! Here are some helpful tips for this exciting event:

- Many homes set up tables with treats in their driveways to help reduce foot traffic at the doors.
- Our neighborhood can be quite dark, don't forget to bring flashlights and glow sticks.
- If you would rather not have visitors, remember to turn off your porch lights.
- Drive slowly and keep an eye out for tiny tots!
